Thank you for the opportunity to care for your pet while you are away. To insure that your pet's stay with us is uneventful, we must ask you to observe the following rules and conditions.

Check In/Out: Boarders can be checked in any time during business hours. Pets that are checked out after 12 noon will be charged for that day. We do offer Sunday pick ups between the hours of 5:00 p.m. to 5:30 p.m.

Vaccines Required: shots must be given within the last year

- Dogs: Canine Distemper, Rabies, and Bordetella (Kennel Cough)*
***must have been given within 6 months**
- Cats: Feline Distemper, Rabies, and Bordetella

Proof of vaccination record from veterinarian is required. If vaccinations are needed, you must make arrangements with your vet prior to your arrival, or we can administer vaccines here at the clinic.

Fleas and Ticks: We strive to keep our clinic flea free. All boarders will be inspected upon arrival for fleas and ticks. If any are present then we will treat at the owner's expense.

Nails: All dogs boarding will have their nail trim if needed. This is to prevent nails from getting caught in the raised platforms. This will be an additional charge of \$5.

Bedding and Personal Belongings: All of our cages are provided with bedding. However, you are welcomed to bring your own; we just ask that you keep it to a minimum of two toys. Every effort will be made to return your items; **however, we are not responsible for loss or damaged belongings.** If you do decide to bring your own we ask that you write your name on all objects.

Food and Medications: We suggest bringing your own food when your pet comes to stay. Dietary changes can cause stress and/or upset stomachs. If you choose not to bring your own we will provide food. For animals that require medication there is an additional charge of a \$1 for each administration a day.

Standard Boarding: Each dog will be feed twice a day (or altered to meet your feeding schedule) and walked twice a day. Additional walks can be purchased if desired for an additional \$3 per walk.

Deluxe Suites: Each dog will be feed twice a day (or altered to meet your feeding schedule) and walked three times a day. They also receive two 30 minute playtimes and dogs sleeping over for more than 4 days will receive a free bath and nail trim.

Playtimes: Playtimes can be purchased for cats and dogs. We offer group or individual play sessions depending on your pet's temperament. For dogs, individual sessions are \$15 for 30 minutes a day and group sessions are \$10 for 30 minutes a day. Cats are all individual sessions and are \$7 per hour. They must either be vaccinated for Feline Leukemia or show a negative test result.

I hereby grant permission to this veterinary establishment to act in my behalf, and in my pet's best interest, by rendering Veterinary services at my expense if deemed necessary for illness or injury while boarding. I further agree to pay for all veterinary and other necessary services incurred by and for my pet during its stay in this facility. **In the event of an emergency** the amount of expenditure on veterinary care shall not exceed \$50 \$100 \$150 or (specify amount) _____ unless I personally authorize additional expenses. I understand that Firehall 4 has the right to separate any two or more animals that may be boarded together due to fighting, not eating, or illness. If my pets have to be separated into separate enclosures, the boarding rate will be at full price for each pet.
